

Mechanical Engineer

James Anderson

james.anderson@email.com | 9784847373 | LinkedIn.com/in/jamesanderson | Boston, MA

Professional Summary

Innovative Mechanical Engineer with 7+ years of experience in product design, CAD modeling, and manufacturing processes. Passionate about developing cost-effective and efficient engineering solutions.

Work Experience

Mechanical Engineer – Tech Innovations, Boston, MA | Feb 2018 – Present

- Designed and tested mechanical components for automation systems
- Improved manufacturing processes, reducing production costs by 20%

Design Engineer – Precision Engineering, Cambridge, MA | July 2015 – Jan 2018

- Developed CAD models and performed stress analysis on mechanical systems

Education

Bachelor's in Mechanical Engineering – MIT, 2015

Skills

- English
- Python

Certifications

- Certified SolidWorks Professional (CSWP), 2020
-
